

Short Term and Long Term Goals for the Manzano Mountain Art Council

- Continue the mosaic/mural projects and find a home/space for production and growth.
- Provide opportunities for local artists: to showcase talent and augment financial opportunities.
- Provide educational programs for adults and school age students through workshops of visual, performing and written arts.
- Develop a budget which allows for balance and viability. Develop a 1, 2 & 5 year plan of operation and vision.
- Explore the possibility of making a permanent home for the MMAC and an arts/creativity center.
- Establish programming with a focus on appreciation of the arts and developing self-sustaining cottage industries through the arts. Explore development of specific products.
- Write grants which enable MMAC to provide programs and opportunities with a sense of stability and sustainability.
- Extend network to include and serve larger community.
